# STABICRAFT 2100 ST

The Stabicraft 2100ST - Amphibious by Sealegs. Expect the quality, safety and reliability of a Stabicraft, married with the internationally proven Sealegs amphibious system to provide a boating experience like none other.

This impressive craft will keep you protected from the elements with its enclosed cabin, and has been outfitted with the equipment you want. Getting on and off the beach or up and down the boat ramp in this Stabicraft is easier than ever - no docks, no tractor, simply amphibious.
